

## *Morton Hall Computer Lab*

The computer lab in MH114 has 12 machines running Windows ME with the following software:

- MS Office XP (Word, Powerpoint, Excel, Frontpage, and Access)
- SPSS v 11.0 Internet Explorer and Netscape Navigator
- FTP Explorer
- Adobe Acrobat Reader 5.0
- Winzip
- RealPlayer
- Computers are protected with Secure PC

The lab also offers regulated laser printing for classwork and assignments and individual dot-matrix printing for email and other printing needs. A lab assistant must assist those who wish to print.

### **Lab hours**

10:00 - 7:00 Monday - Thursday  
10:00 to 2:00 Friday.

Occasionally, classes will reserve the lab to meet as a group or, to conduct experiments using these computers. Otherwise, the lab is open fully during those hours.
